Christmas with the King Family

It is 1891 and future prime minister William Lyon Mackenzie King lives at Woodside.

Come and experience a Victorian Christmas at Woodside, the boyhood home of Canada's tenth prime minister William Lyon Mackenzie King. Every day in December is Christmas Eve! Tour through this beautifully decorated home to discover the special features of December 24, 1891.

The real Christmas tree is waiting in the parlour and almost everything is ready for Christmas Day. Most of the rooms in the house are dressed with evergreen boughs and ribbons. Find out what the family will wear during a fun costume talk, sample a Christmas cookie and watch a DVD to learn about celebrating Christmas in this community in the 1890s.
